

# Build It, Break It, Fix It!

Submitted by [rvmeush](#) on Tue, 07/01/2014 - 10:08am

Registration is now open for a security-oriented programming competition hosted by The Maryland Cybersecurity Center. This online contest will begin Aug. 28 for teams of students enrolled at US-based universities. Cash prizes will be awarded to the 1st and 2nd place teams. Further details are available [here](#).
