

# Multiple Tenure-Track Positions at Kansas State University in Cybersecurity

Submitted by [Scott DeLoach](#) on Thu, 09/11/2014 - 6:22am

The department of [Computing and Information Sciences \(CIS\) at Kansas State University](#) invites applications for multiple tenure-track positions beginning in Fall 2015 at all levels (Assistant, Associate, or Full Professor). Applicants should have a background in cybersecurity or high-assurance software. In addition, applicants whose research interfaces with one or more of the following areas are highly encouraged to apply: bio-security, cyber-physical systems, mobile computing, cloud-based systems, big data, or human-computer interfaces. Successful applicants will demonstrate commitment to both teaching and research. A doctorate degree in computer science or related disciplines is required; salary will be commensurate with qualifications.
