

The 1st International Workshop on Multimedia Privacy and Security

Submitted by [grigby1](#) on Fri, 07/07/2017 - 10:38pm

[Oct 30, 2017 12:00 am - 12:00 pm EDT](#)

"Our workshop will allow a specific venue for the publication of work addressing these concerns, specific to the IoT ecosystem. We invite research into new and innovative methods, techniques, and proofs-of-concepts supported by strong theory/algorithms and simulation/experiments to submit papers for this workshop."

Event Details

Location: Hotel Sheraton, Downtown Dallas, Texas, USA
