

Action Classification from Motion Capture Data using Topological Data Analysis

Submitted by el_wehby on Fri, 05/11/2018 - 12:59pm

Title	Action Classification from Motion Capture Data using Topological Data Analysis
Publication Type	Conference Paper
Year of Publication	2016
Authors	A. Dirafzoon , N. Lokare , E. Lobaton
Conference Name	IEEE Global Conf. on Signal and Information Processing (GlobalSIP)
Keywords	1552828
Citation Key	Dirafzoon:2016:acf
