|---------------------|---|
| Title | Modeling adequacy for studying power oscillation damping in grids with wind farms and networked control systems (NCS) |
| Publication Type | Conference Paper |
| Year of Publication | 2016 |
| Authors | A. Yogarathinam , J. Kaur , N. R. Chaudhuri |
| Conference Name | 2016 IEEE Power and Energy Society General Meeting (PESGM) |
| Date Published | July |
| Keywords | 1657024 |
| DOI | 10.1109/PESGM.2016.7741931 |
| Citation Key | Conference2 |
