29th USENIX Security Symposium

View the [full program](#) and register now! The registration deadline is Wednesday, August 5.

With safety in mind, the upcoming 29th USENIX Security Symposium will take place as a virtual event. It will be held on August 12-14, 2020.

USENIX Security brings together researchers, practitioners, system administrators, system programmers, and others to share and explore the latest advances in the security and privacy of computer systems and networks.

USENIX Security '20 will feature the [Hack@Sec competition](#). Phase I ends and final submissions are due on July 14. Register today!

Apply for a grant! The grant application deadline is Monday, July 20. See the [USENIX Grant Overview page](#) for details.
