COVID-19 Update

The 2021 IEEE 93rd Vehicular Technology Conference: VTC2021-Spring will be held as a virtual conference, 25 - 28 April 2021.

Due to the wide extent of the impact from the COVID-19, the Vehicular Technology Society will be relaxing its requirements, making the event virtual for all presentations. Guidance for Virtual Presentation submissions can be found here: <https://events.vtsociety.org/vtc2021-spring/authors/virtual-presentation-guidelines/>

VTS is fully supportive of IEEE's mission statement and we wish you and all people success in dealing with any local challenges you may be facing.

If you have any questions or concerns, please contact the conference administrators.

And last but not least, we wish you and your families well!
