40th Annual International Conference on the Theory and Applications of Cryptographic Techniques (EUROCRYPT 2021)

"The current situation with COVID-19 does not look promising for having a physical event in May. Hence, the IACR board decided to reschedule the event for Oct. 17-21, 2021, in hopes that in October it will be possible to hold a physical or hybrid event.

Eurocrypt 2021 is the 40th Annual International Conference on the Theory and Applications of Cryptographic Techniques. Eurocrypt is one of the three flagship conferences of the International Association for Cryptologic Research (IACR).

Eurocrypt 2021 will take place in Zagreb, Croatia"
