Position Announcement

PhD positions at the University of Lisbon

https://www.lasige.di.fc.ul.pt/

Dear All,

We are looking to fill two PhD positions at the University of Lisbon from early 2021 on one of the following topics

- Accessibility and Ageing
- Cyber-physical Systems
- Data and Systems Intelligence
- Health and Biomedical Informatics
- Reliable Software Systems
- Resilient Distributed and Networked Systems

The position is associated with LASIGE (https://www.lasige.di.fc.ul.pt/), a research unit at the Faculty of Sciences, University of Lisbon. LASIGE was evaluated as excellent in the last nationwide evaluation process.

The position is funded by the Foundation for Science and Technology for a period of up to four years, includes the tuition fee and financial support for activities related to the prosecution of the degree.

Requirements

- Applicants should hold an MSc degree (5 years, 300 ECTS) in Computer Science or in a related area
- Applications are open until December 15, 2020.

Further information can be obtained from lasige@ciencias.ulisboa.pt or from any of the researchers at LASIGE (https://www.lasige.di.fc.ul.pt/integrated-researchers, https://www.lasige.di.fc.ul.pt/phd-collaborators).
