

IEEE Symposium on Computational Intelligence in Big Data (IEEE CIBD)

Submitted by grigby1 on Thu, 03/11/2021 - 12:39pm

[Dec 04, 2021 12:00 am - Dec 07, 2021 12:00 pm EST](#)

"Building on the success of last year's meeting, the IEEE Symposium Series on Computational Intelligence (SSCI) 2021 will host the Computational Intelligence in Big Data (CIBD) 2021. The event will bring together international experts to discuss theories and applications of big data in computer science."

Topics of interest include applications of big data, such as industrial process, business intelligence, healthcare, bioinformatics and security.

Event Details

Location: Virtual and in Orlando, FL
