To whom it may concern,

This letter serves as express permission for reproduction of the BEST Robotics, Inc. logo and copyrighted material to the bearer as otherwise described under the legally-binding license agreements local affiliates hold with BEST Robotics.

Individuals may reproduce the BEST Robotics national logo for purposes related to the 2018 season, in the context of this year's game, for recruitment materials for new schools or students, and for educational outreach. Any reproduction outside of that context is not permitted.

Individuals may present verification of their brand license through their Hub director. It is not required by BEST Robotics, Inc. at time of print.

Sincerely,

Rosemary Mendel
