

FORCES Student meetings

- Regular teleconference calls between students across the FORCES campuses

- Goals:
 - Identify common research interests
 - Feedback from peers on past and current work
 - Brainstorm research ideas
 - Potential student exchanges between campuses

FORCES Student meetings

□ Schedule

- First meeting on April 27:
Introductions and research interests.
- May - August:
Biweekly meetings to discuss research.
- Fall / Winter 2015:
If there is interest: organize student exchanges.

FORCES Student meetings

□ Points of contact:

- Michigan: Erik Miehling (miehling@umich.edu)
- Vanderbilt: Aron Laszka (aron.laszka@vanderbilt.edu)
- MIT: Li Jin (jnl@mit.edu)
- Berkeley: Jerome Thai (jerome.thai@berkeley.edu)

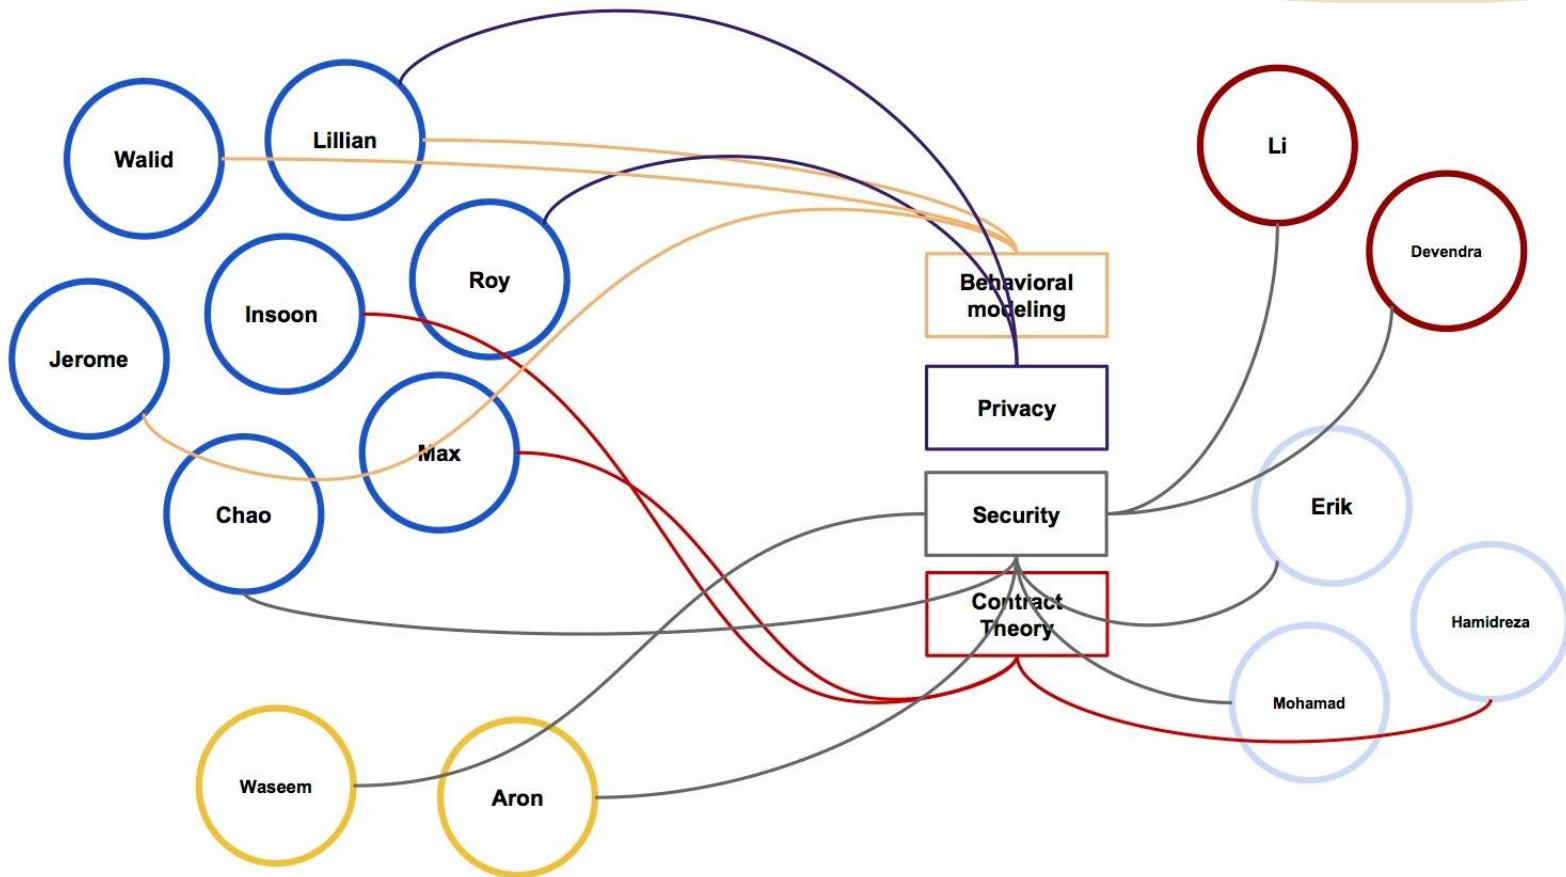

□ Other Participants:

- Michigan: Erik Miehling, Mohammad Rasouli, Hamid Tavafoghi
- MIT: Li Jin
- Vanderbilt: Aron Laszka, Waseem Abbas
- Berkeley: Jerome Thai, Walid Krichene, Max Balandat, Roy Dong, Lillian Ratliff, Chao Zhang

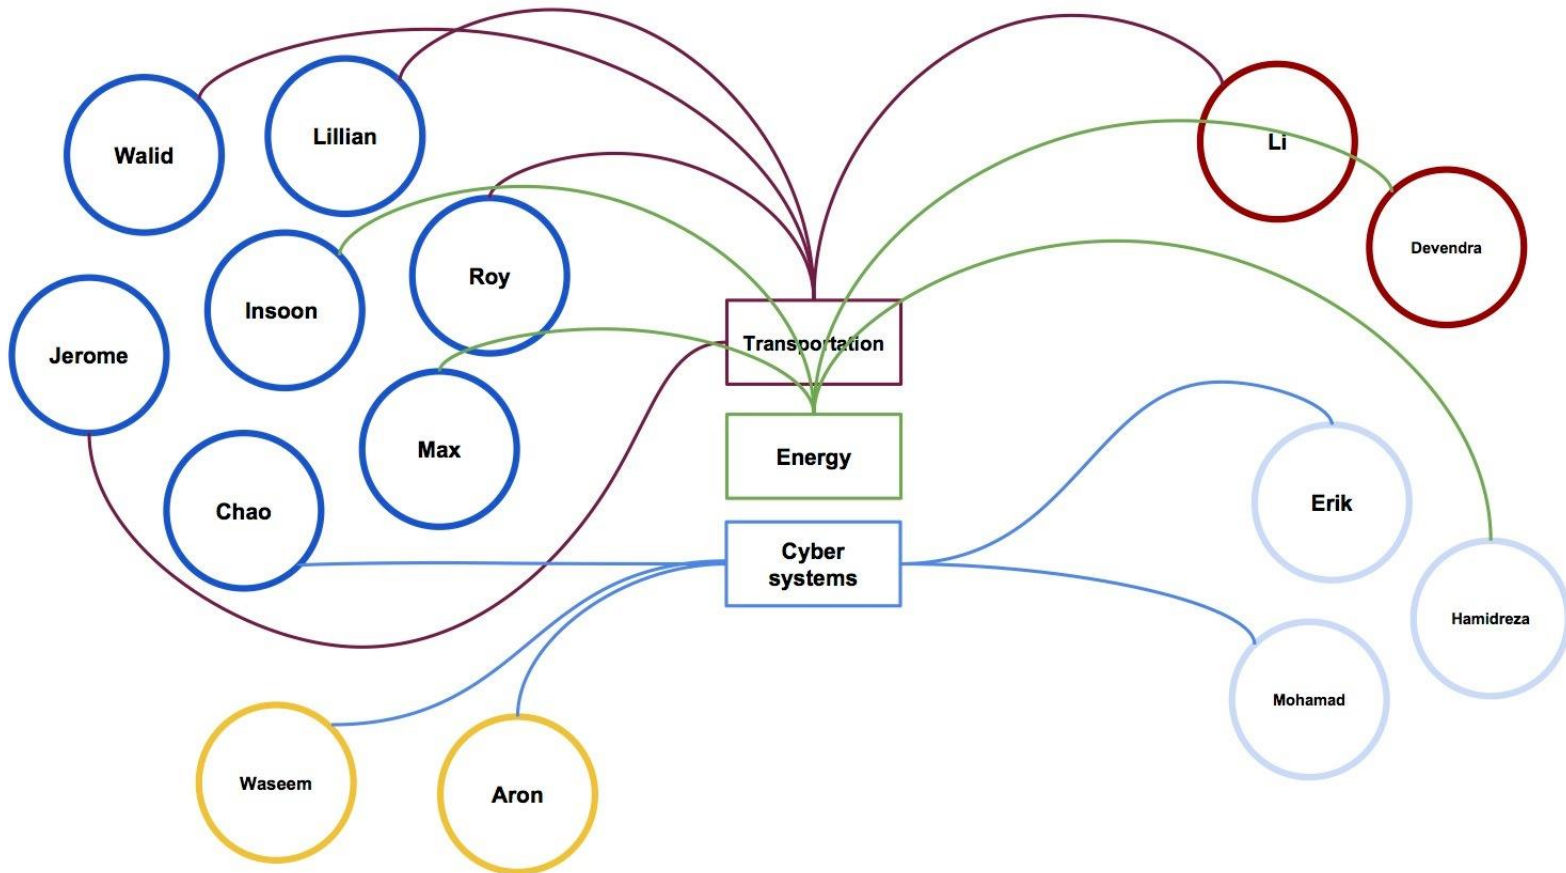

□ Topics discussed so far:

- A Supervisory Control Approach to Dynamic Cyber-Security (Erik Miehling)
- Multi-Lane Decision Theoretic Traffic Models for Toll Pricing (Dan Calderone)
